Morning

I thought from yesterday s.39

Is that changed?

Thanks

Richard

Hi Dan, Mike,

We can definitely take a look at this and assess, but just offering my personal note of caution here that I think s.39

That said, I could be off base on the appetite, so again certainly let's pull up the existing info.

John O can correct me about the scope of the existing project he is leading.

Thanks,

Julia

Mike,

Does intel policy team have any further material that you could share with SPB – Lynne Lawless had a bunch of work on this over the years and your policy team should have some more recent thinking on this. T

I second that motion Dan.

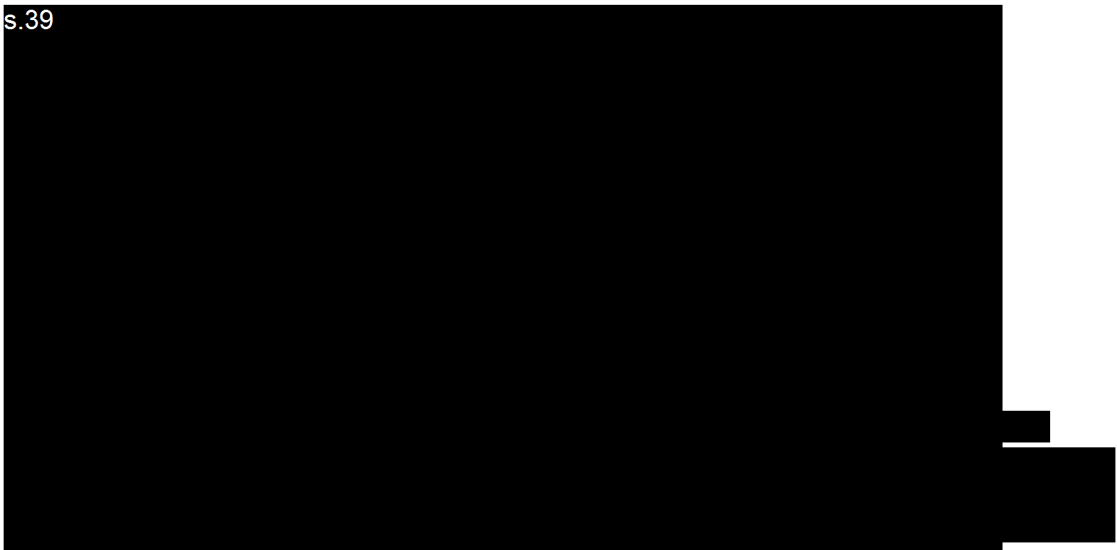

By relying on non specific authorities, such as the Interpretations Act, we are definitely hampered.
